CHAPTER FINANCES (Part 1 & 2)

Chapter finances – **I'm not chapter treasurer....why should I care?** What does your chapter's budget say about your chapter? Is it complacent? Is it compliant? Has it been carefully thought out to support the programs, goals, and activities of your chapter for the coming year?

MEMBERSHIP MEETING / BOARD MEETING: What is the difference? What is the same?

Are you doing business in your membership meeting that should be done at your board meetings? Why it matters? What should be done in each?

PEP: Make chairing the Programs, Education, & Projects Committee a stress reliever and not a stress maker.

Learn how to streamline event planning and learn how to make being the PEP chair an absolutely FUN and rewarding experience. Whether you have never planned an event or you have planned 60 events, whether you are not sure where to start or whether you are a pro at being a PEP chairman, this workshop is for you. Why you should be a PEP chairman? What makes a PEP event a success? Do you need ideas for meeting topics, ideas for funding an event, and/or ideas on how to make sure that the events are well attended? We will discuss it all. For me, PEP is what NAWIC is all about; allow me to share my story with you. Come share your tales with the group.

Presented by Juliana Garner, Kalamazoo / Battle Creek, PEP Regional Chair
