

**NAWIC “LEGO” BLOCK KIDS 2020 PROGRAM REGISTRATION
LIMITED TO 100 STUDENTS & FREE T-SHIRT – DEADLINE JAN. 15th, 2020**

The 2018 NAWIC “Block Kids” program will be held on **Saturday, February 1, 2020, 9 am to 12 noon**, at the Plainwell Middle School Cafeteria. ***If there is a snow storm there is not a back-up date.*** The program will go on with as many students, judges and volunteers that can safely make it to the event.

The Block Kids Building Program is a national building competition supported by the NAWIC Education Foundation. The program is non-discriminatory and is open to all students in **Kindergarten through sixth grade**. Each student is provided with 100 “Lego” type building blocks and the option to choose three other items (rock, string, aluminum foil, or poster board) to incorporate into their project. Each student is given one hour to build a structure of his or her choice. People, plants, and animals are not allowed. Judges from the construction and engineering industry view each student’s project and discuss with them what they have constructed. Evaluations are recorded on a point system and then turned over to our record keepers who tally the points. All judges are local volunteers from companies within the construction community. All students will receive a free t-shirt donated via sponsorships from local companies. The legos need to be turned into NAWIC upon completion of the event so we can keep the event free. Refreshments will be available on site. **Once the event begins parents will be asked to sit outside of the cafeteria until judging is completed.** Eight (8) gift cards and prizes are awarded (one for each grade K-6th, and one overall winner). Pictures and a description of the overall first place winner’s project are submitted to the regional level, and possibly to the national level if they win the regional level.

The program is free to all students but is limited to 100 participants. Register for the event by fully completing the requested information below via 1) turning hard copy into the school office, 2) emailing me completed form to me at bacon@sme-usa.com, or 3) **by downloading the fillable form on our website at <http://nawickalamazoobc.org/block-kids-2020/> and saving it to your computer and then emailing me the saved renamed version at bacon@sme-usa.com. Sign up will be in the order received and NAWIC will accept registrations through Monday January 15, 2020. An email will be sent to all registrants to confirm you are in the 100 student maximum.**

PLEASE PRINT- Student’s Name: _____

Student’s Grade & School: _____
