Let's get together

We're hosting a new event, and we'd love to see you there. Join us for How to use Social Media to Advance your Career - Presentation, January 11, 2023 at 3:30 PM.

The digital age is upon us and, like it or not, social media has become a great tool when it comes to elevating your career. You can guarantee that almost any company you can think of and its employees are on some type of social media platform. It's just as important for you to be active on social for visibility purposes whether it's highlighting your skills or sharing updates for the company you work for.

Brenna Alton, Corporate Marketing Manager at Kent Companies will give an overview of ways you can utilize various platforms whether it's updating your profile or getting more active on specific platforms.

We will be holding this meeting in a hybrid format, with both a virtual and in-person option. There will be room for 30 people to attend in person. Snacks/hors d'oeuvres included for all in-person attendees. Virtual attendees will receive the ZOOM information after they have RSVP'd

We hope you're able to join us!
